The Greater Morris County National Football Foundation and College Hall of Fame 2021 Class of Football Scholar-Athletes

The Greater Morris County Chapter of the National Football Foundation is proud to announce the 2021 Scholar-Athlete Award winners. On May 16, 2021 Morris, Sussex, and Warren County football players who demonstrated exceptional athletic and academic accomplishments along with community service were honored virtually.

NFF Chapter President and founder Mr. Matt Sellitto, representative of the Foundation's more than twenty five years of work, spoke in celebration of these scholar athletes who work on and off the field as active participants in their community. These young men were chosen using the formula that is mandated from National, which is 40% academic, 40% athleticism and 20% citizenship. Also recognized were the NFF's 2021 Distinguished American **William W. Bradley**, Distinguished Coach recipient, **Brian Bowers** and Contributor to the Game recipient **Andre Tippett**, who both embody the chapter's core principles of civic responsibility and professional excellence.

The criteria for the Scholar-Athlete Award, as established by the National Awards Committee, are academic achievement, school and civic leadership, and football ability. Bob Mulchay Scholarship

Bob Mulcahy, a long-time National Football Foundation board member, worked hard to make our chapter, and this banquet, a success. He was a kind and generous man who cared about his community and the charities that supported it. He was the sort of person we hope our scholar athletes will become. In his memory, we will award a scholarship to one scholar athlete.

Matthew C. Sellitto Scholarship

Matthew C. Sellitto embodied the values that the National Football Foundation and College Hall of Fame seeks for its award recipients. Active in a variety of sports, from hockey to football, Matthew was just as committed to studies, his community and less-fortunate individuals. Matthew Sellitto, 23, was on the 105th Floor of Tower One on September 11, 2001.

Jonathan D. Sellitto Scholarship

Jonathan D. Sellitto was passionate about many things, especially his family and the friends he loved so dearly. It was clear that his daughter Finley was the center of his universe and even at a young age, she reflects his joyful spirit. Jonathan was accomplished in football and hockey and played college lacrosse. He was committed to the MCS Foundation's mission. Jonathan Sellitto, 34, died suddenly on March 15, 2017

Barry Halper Scholarship

Barry Halper, was a long-time National Football Foundation board member. He was passionate about his community and this chapter. He is someone we hope our scholar athletes will look up to and someone we hope they can become. In his memory, we will award a scholarship to one scholar athlete.

NATIONAL FOOTBALL FOUNDATION

COLLEGE FOOTBALL HALL OF FAME

Our Mission

**Our mission is to promote and develop the power of amateur football in developing the qualities of leadership, sportsmanship, competitive zeal and the drive for academic excellence in America's young people.
We will fulfill this mission in the following ways:**

By inspiring young people to excellence: holding up the greatest players and coaches in the history of the game as role models and enshrining them and their achievements in the College Football Hall of Fame.

By exciting young people, and those who influence them, about the game: in particular, managing the College Football Hall of Fame in such a way as to dramatize the history, exhilaration and value of the game to an ever broadening audience of fans and potential fans.

By developing, managing and promoting model football programs, which further strengthen the educational and character building qualities of the game.

**By honoring, publicizing and providing financial support to high school and college football players who represent our ideal of the scholar-athlete.
By continuing a grassroots movement, through local chapters, while involving football fans, coaches, educators, the media and former players in the implementation of the programs, which will fulfill our mission for America.**

Through this mission, The Foundation serves not only youth, but the nation as well.

In addition to his NFL career, Ed taught Physical Education in the New York City School System, retiring after 32 years.

A graduate of William Paterson University, with a B.S. in Physical Education, he also holds a Master's Degree in Athletic Administration from Montclair State University.
